GUIDELINES FOR SAFELY RETURNING TO BRC FOR THE 2020-21 SEASON

Purpose:

The purpose of this document is to provide you with guidelines that the Music Directors and Board have agreed upon to safely return to rehearsals for the 2020-21 season. The following was created following CDC guidelines.

Blue Ridge Chorale (BRC) Responsibilities:

The BRC will be responsible for:

- * creating a separate entrance and exit that will be adhered to strictly
- *screening all members before they enter the rehearsal space with questions and temperature checks (temperature reading of 100.1F or higher will be sent home)
- *cleaning the pews and restrooms after each rehearsal with a disinfectant
- *setting expectations for keeping social distancing during rehearsals, as well as entering and exiting the building
- *securing proper licensure so rehearsals/performances can be done via streaming or recording
- *provide rehearsal tracks online, or on CD for those who do not have internet access
- *notify members and suspend in person rehearsals for two weeks if a member were to test positive for COVID-19

Singer's Responsibilities:

Each singer will be responsible for:

- *providing and wearing their own mask to each rehearsal (This is mandatory and you will not be permitted in the building without it.)
- *staying home if you do not feel well, exhibit ANY of the COVID-19 symptoms, or have been around anyone exhibiting said symptoms
- *notifying a board member or one of the music directors immediately if you test positive for COVID-19 (Your identity will be protected.)
- *adhering to the social distancing guidelines, as well as, quickly entering and leaving the rehearsal space without congregating in the building
- *keeping up with individual practice at home and willing to rehearse virtually

Directors Responsibilities:

The music directors will be responsible for:

- *providing and wearing their own mask during rehearsals (This is mandatory for the entire music team and one will not be permitted in the building without it.)
- *dividing up the members into small groups, ensuring all voice parts are covered
- *keeping in person rehearsals to 45 minutes
- *rotating the small groups with a 15-minute break in between to allow for cleaning
- *create a schedule, possibly rotating depending on number of members, that gives each group a 45 minute in person rehearsal. Example: We have a total of 40 members and we divide them into 2 groups. Group A rehearses from 6:30pm-7:15pm and Group 2 rehearses from 7:30pm-8:15pm.
- *selecting music that has been previously done (familiarity will make individual rehearsal less stressful and easier)

- *placing 2 people per pew, every other pew (this will provide a 10 foot distance between each singer)
- *upon their discretion, utilize outdoor space for rehearsals/performances with proper social distancing
- *ensure proper social distancing on the stage for rehearsal/performance

Other:

We ask the following of our singers:

- *please adhere to the "Singer Responsibilities" identified above
- *please do not share any music, writing utensils, or other materials
- *use hand sanitizer or wash your hands thoroughly before rehearsal begins
- *please do not bring any extra people with you (children, relatives, guests)
- *sign a waiver stating that you understand the set guidelines, the possible risk of exposure, and will not hold The Blue Ridge Chorale of Culpeper, Inc. responsible
