## Guidelines for Safely Returning to BRC for the 2021-22 Concert Seasons

### Purpose:

The purpose of this document is to provide you with guidelines that the Music Directors and Board have agreed upon to safely return to rehearsals for the 2021-22 concert seasons. The following was created following CDC guidelines.

### Blue Ridge Chorale (BRC) Responsibilities:

The BRC will be responsible for:

- \* creating a separate entrance and exit that will be adhered to strictly
- \*screening all members before they enter the rehearsal space with questions and temperature checks (temperature reading of 100.1F or higher will be sent home)
- \*cleaning the pews and restrooms after each rehearsal with a disinfectant
- \*setting expectations for keeping social distancing during rehearsals, as well as entering and exiting the building
- \*securing proper licensure so rehearsals/performances can be done via streaming or recording
- \*provide rehearsal tracks online, or on CD for those who do not have internet access
- \*notify members and suspend in person rehearsals for two weeks if a member were to test positive for COVID-19

### Singer's Responsibilities:

Each singer will be responsible for:

- \*providing and wearing their own mask to each rehearsal (This is mandatory and you will not be permitted in the building without it.)
- \*staying home if you do not feel well, exhibit ANY of the COVID-19 symptoms, or have been around anyone exhibiting said symptoms
- \*notifying a board member or one of the music directors immediately if you test positive for COVID-19 (Your identity will be protected.)

\*adhering to the social distancing guidelines, as well as, quickly entering and leaving the rehearsal space without congregating in the building

\*keeping up with individual practice at home and willing to rehearse virtually

**Directors Responsibilities:**

The music directors will be responsible for:

\*providing and wearing their own mask during rehearsals (This is mandatory for the entire music team and one will not be permitted in the building without it.)

\*dividing up the members into small groups, ensuring all voice parts are covered

\*keeping in person rehearsals to 45 minutes

\*rotating the small groups with a 15-minute break in between to allow for cleaning

\*create a schedule, possibly rotating depending on number of members, that gives each group

a 45 minute in person rehearsal. Example: We have a total of 40 members and we divide them into 2 groups. Group A rehearses from 6:30pm-7:15pm and Group 2 rehearses from 7:30pm-8:15pm.

\*selecting music that has been previously done (familiarity will make individual rehearsal less stressful and easier)

\*placing 2 people per pew, every other pew (this will provide a 10-foot distance between each singer)

\*upon their discretion, utilize outdoor space for rehearsals/performances with proper social distancing

\*ensure proper social distancing on the stage for rehearsal/performance

**Other:**

We ask the following of our singers:

\*please adhere to the "Singer Responsibilities" identified above

\*please do not share any music, writing utensils, or other materials

\*use hand sanitizer or wash your hands thoroughly before rehearsal begins

\*please do not bring any extra people with you (children, relatives, guests)

\*sign a waiver stating that you understand the set guidelines, the possible risk of exposure, and will not hold The Blue Ridge Chorale of Culpeper, Inc. responsible
